**Photo Release**

Throughout the year pictures may be taken of people participating in various programs at the Community Centre. These pictures may be used in the community newspaper or on the Community Centre social media formats. In order to take pictures of any of the people participating in Centre program, we would need written permission to do so. Below is the photo release form that we need to have signed for all participants registered in our programs.

I give permission for my child/ren to have their picture taken while participating in Community Centre Programs. I am aware that some of these photos may be used on the Centre's website or in the community newspaper.

I accept       I decline

### **Guidelines**

1. If you or your child are sick or experiencing flu like symptoms we ask that you not attend until your are 24 hour symptom free, for covid symptoms you will still follow the guidelines by Government of Newfoundland and Labrador.
2. Families must pre-register which day they would like to attend with the community centre before attending program. Start off with registering for one day starting off from October to December. Then we will re-evaluate the program. If there is enough interest then we will have the families register for both days.
3. Only one parent/ care giver per family, but this may change under special circumstances.
4. Parents/ care givers are encouraged to participate in the program. This a play-based program, there will be an option to do a craft. A healthy snack will be provided.
5. A maximum of 8 children are allowed to attend program at one time.
6. Families should call the community centre if they are not planning on attending the program. Our number is 579 -4534 ext # 206
7. No hot beverages around the children.
